wherever you are**

# About halo

## Supporting our Community for over 30 years

You will be supported by a dedicated care coordinator who will work closely with you to design a personalised care plan that reflects your unique needs, preferences, and goals.

Your coordinator is backed by a skilled and compassionate team, including experienced clinicians, and qualified Allied Health professionals, all working together to ensure you receive the highest standard of care.

Our friendly and professional Support Workers will deliver your home care services, and we are committed to providing consistency by assigning regular team members and maintaining a reliable schedule—both in terms of day and time—so you always know who to expect and when.

# Pricing Schedule

| INDEPENDENCE<br>Hourly Rate             |                        |                        |          |          |                   |

# Managing Your Care, Cancellations & Contributions

## Care Management

Care Management is included for all participants in the Support at Home program. Services Australia allocates 10% of your quarterly Support at Home budget to fund Care Management service.

Halo claims this funding from Services Australia based on the Care Management services provided to you. There are no out-of-pocket costs or additional co-contributions payable by you for Care Management.

## Your Contributions

You may be required to contribute towards some Support at Home services. Any contribution is determined by Services Australia through an Income and Assets Assessment and is based on your financial circumstances and the type of service you receive.

Government-set contribution rates apply.

For example, clinical care services do not require a contribution from full or part pensioners, while contributions may apply to Independence and Everyday Living services. Your individual contribution amount will be advised by Services Australia.

## Cancellations

Please provide at least 24 hours' notice if you need to cancel a service. Cancellations made with less than 24 hours' notice may be charged to your Support at Home budget, in line with Support at Home program requirements.
